

CURRICULUM VITAE

NAME: Frank Alan Barber

ADDRESS: Plano Orthopedic and Sports Medicine Center
5228 West Plano Parkway
Plano, Texas 75093

WIFE: Sheryl R. Barber

CHILDREN: Shannon, Collin, Cameron
Grandchildren: Noah, Tristan, Trinity, Chance, Molly, Deklan, Cruz

EDUCATION:

Oklahoma State University
graduated BA with honors - Chemistry
other honors: Phi Kappa Phi - scholarship
Phi Lambda Upsilon - chemistry scholarship
Omicron Delta Kappa - leadership, scholarship
4 year Army ROTC scholarship
Scabbard and Blade - ROTC scholarship
Student Senate
Vice Pres. Men's Residence Halls Assoc.

Baylor College of Medicine

TRAINING:

Tripler Army Medical Center, Surgery Internship
Tripler Army Medical Center, Orthopedic Surgery

FELLOWSHIP:

Arthroscopic and Reconstructive Surgery of the Knee
Robert G. Stone, MD - Medical Arts Hospital, Dallas

MEDICAL LICENSES:

Texas, Kentucky, Virginia

BOARD CERTIFICATION:

Diplomat American Board of Orthopaedic Surgery

PROFESSIONAL SOCIETIES:

Fellow American College of Surgeons
Fellow American Academy of Orthopaedic Surgeons

PROFESSIONAL AWARDS:

Berg-Sloat Traveling Fellowship: awarded by the Orthopaedic Research and Education Foundation (one of six)

Surgeon General's Physician Recognition Award - (Lt. Col recipient): awarded by the Surgeon General of the Army to one medical corps Lt. Col., Maj., and Capt. annually

Arthroscopy Association of North American 1987 research grant: "The effect of inflammatory synovial fluid on the breaking strength of various absorbable sutures"

Arthroscopy Journal: Reviewer of the Year 1993

Arthroscopy Journal Associate Editor 1996-2001

Sociedad Columbia de Cirugia Ortopedica y Traumatologia: corresponding member

PROFESSIONAL ORGANIZATIONS (CURRENT and PAST):

American Academy of Orthopaedic Surgeons

American College of Surgeons

American Orthopedic Association

American Orthopedic Society for Sports Medicine

-American Journal of Sports Medicine reviewer

Arthroscopy Association of North America

-Research committee member 1988-1989, 2008-2012

-Editorial board Arthroscopy Journal 1989-1994; 2014-present

Reviewer of the Year 1993

-Associate Editor Arthroscopy Journal 1996-2001

-Data Resource and Analysis Committee 1993-1995

-Communications Committee 1998-2000

-Nominating committee 1998, 2000, 2002

- Education Committee 2000-2001

-Development committee 2003-2006, 2011-2013

-Board of Directors 2001-2004, 2005-2008

-Committee on Committees 2003

- Learning Center Committee 2004-2008

- Education overview committee 2004-2006; 2009-2012 (Chairman)

-Program committee 2002-2006 (Chairman 2004-2005)

-Treasurer 2005-2008

- Executive committee 2005-2008
- Finance committee 2005-2008
- Journal Board of Trustees (ex officio) 2005-2008

Association of Military Surgeons of the US.

- Military Medicine Journal Reviewer

Collin County Medical Society

International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS)

- Scientific research committee
- Communications committee
- Board of Directors 1999-2003

Texas Medical Association

Journal Participation

- Associate Editor Arthroscopy Journal 1996-2001
- Arthroscopy Journal reviewer 1989-present
(Review of the Year- 1993)
- Military Medicine Journal Reviewer 1995-2013
- American Journal of Sports Medicine Reviewer 2008-present
- Orthopedics Today Arthroscopy section Editorial Advisory Board 1997-2012
- Complications in Orthopedics Editorial Advisory Board 1997-1999
- Orthopaedic Special Edition Editorial Advisory Board 1998-2013
- Sports Medicine and Arthroscopy Review editorial board 2001-present
(selected as associate editor 2019)
- Techniques in Knee Surgery editorial board 2007-2011

MILITARY ASSIGNMENTS:

Ireland Army Hospital, Ft. Knox, Kentucky
Chief Orthopedic Surgery

Wuerzburg Army Hospital, Germany
Chief Orthopedic Surgery

130th Station Hospital, Heidelberg, Germany
Chief Orthopedic Surgery

DeWitt Army Hospital, Ft. Belvoir, Virginia
Assistant Chief Orthopedics Surgery
Director, Sports Medicine Clinic

William Beaumont Army Medical Center
Chief, Foot Surgery Service, Full Time Faculty

Orthopedic Surgery Residency Program

MILITARY AWARDS:

National Defense Service Medal
Army Commendation Medal
Army Service Medal
Overseas' Service Medal
Surgeon General's Physician Recognition Award
Expert Field Medical Badge

ACADEMIC POSITION:

Director: Plano Orthopedic Sports Medicine Fellowship Program

PAPERS AND PUBLICATIONS:

MODERATOR

Arthroscopy Association of North America 18th annual meeting, Vancouver, Saturday April 17, 1999; moderator Anterior Cruciate Ligament II session

International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine 1999 Biennial Congress, Washington DC, May 30, 1999. Moderator: Biomechanics/ Basic science knee tendon graft.

AAOS 69th annual meeting, February 15, 2002, Dallas Instructional Course 311 ST "Arthroscopic Meniscal Repair."

Arthroscopy Association of North America 21st annual meeting, Washington DC, April 27, 2002, Symposium: "Controversial topics in arthroscopic surgery: point counterpoint."

AAOS 70th annual meeting, February 6, 2003, New Orleans Instructional Course 231 ST "Arthroscopic Meniscal Repair."

Arthroscopy Association of North America Specialty Day February 8, 2003, New Orleans "Symposium: Anterior cruciate ligament reconstruction."

Arthroscopy Association of North America 22nd annual meeting, Phoenix AZ, April 24, 2003. "Anterior cruciate ligament reconstruction."

Arthroscopy Association of North America 22nd annual meeting, Phoenix AZ, April 26, 2003. "Symposium: Controversial topics in arthroscopic surgery: point counter point."

AAOS 71st annual meeting, March 10, 2004, San Francisco, Instructional Course 171 ST "Arthroscopic Meniscal Repair."

Arthroscopy Association of North America 23rd annual meeting, Orlando FL, April 22-25, 2004 "Symposium: Controversial topics in arthroscopic surgery: Point Counterpoint."

Arthroscopy Association of North America 1st Winter meeting January 9, 2005 Whistler Canada, "Miscellaneous knee topics."

Arthroscopy Association of North America 24th annual meeting, Vancouver Canada, May 12, 2005, "Meniscus repair: suture, implants, and methods to enhance healing."

Arthroscopy Association of North America Specialty Day March 25, 2006, Chicago IL
"Articular cartilage/meniscus session V"

Arthroscopy Association of North America Specialty Day, February 17, 2007, San Diego
CA, "Miscellaneous knee topics."

Arthroscopy Association of North America 26th annual meeting April 28, 2007, San
Francisco: "Articular Cartilage"

Arthroscopy Association of North America 27th annual meeting April 24, 2007,
Washington DC: "Articular cartilage"

"Shoulder Arthroscopy- anterior approach" First ISAKOS-AANA-CMA Congress on Sports
Medicine and Arthroscopy, May 17, 2008, Shanghai China

"Symposium Clinical Pearls in Shoulder Arthroscopy" Arthroscopy Association of North
America 27th Fall course, November 20, 2008, Phoenix Arizona

Shoulder Course Chairman; Arthroscopy Association of North America 27th Fall course,
November 20, 2008, Phoenix Arizona

AAOS 76th annual meeting, AANA Specialty Day: Rotator Cuff and Biceps Problems
Symposium, February 28, 2009, Las Vegas NV

Arthroscopy Association of North America 28th annual meeting May 2, 2009, San Diego:
Articular cartilage problems.

Arthroscopy Association of North America 29th annual meeting, May 22, 2010,
Hollywood Florida: Scientific Session VIII: Knee Ligament 1.

Arthroscopy Association of North America, Specialty Day, February 19, 2011, San Diego:
Session 1: Shoulder Instability Symposium

Arthroscopy Association of North America 30th annual meeting, April 16, 2011, San
Francisco CA: Scientific Session XIV: Knee Ligament II

Arthroscopy Association of North America 30th Fall course, November 17-19, 2011, Palm
Desert CA; Shoulder Session I (Biceps and SLAP surgery)

Fellows Arthroscopy Forum East, April 1-2, 2016, Miami FL: Course Co-Chairman, also
Moderator Interactive case presentations-shoulder.

Combined 3rd ISAKOS Knee Course and 6th Pune Knee Course 2016, Pune India April 22,
2016; Session Co-Chair Meniscus repair-surgical techniques

“Meniscus tear and articular cartilage lesions” Mitek Sports Medicine Advanced Fellows Forum May 6, 2017 Chicago Il

“Symposium II: 21st Century Management of Meniscus Tears”: Arthroscopy Association of North America annual meeting April 27, 2018 Chicago

"First clinical results and Pre-Clinical evaluation of a Next-generation suture". Spenciner D, Bare A, Sigman S, Barber FA. International Musculoskeletal Society annual meeting July 9, 2018

GUEST LECTURER:

Cambridge England Orthopaedic Surgery Residency Program - July 1980

University of Texas Southwestern Medical Center, Department of Orthopaedics Grand Rounds, 1/10/96 "Nonoperative management of unicompartmental knee arthritis."

18th Congreso Asociación Española De Artroscofia, (Invited Professor) San Sebastián, Spain, May 18-20, 2000.

25th Annual New Jersey Orthopaedic Symposium, Somerset NJ, September 23, 2000
"Update on sutures and anchors"; "Techniques for type II SLAP repairs."

33rd Annual Northeastern-Mid-Atlantic Orthopaedic Complications/Residents' Thesis Conference, September 22, 2000; "Meniscal Arrow Complications: case report."

IX Brazilian Congress of Knee Surgery, X Brazilian Congress of Arthroscopy, Rio de Janeiro, Brazil, March 27-31, 2001.

Grand Rounds October 23, 2001, Wake Forest Medical School Department of Orthopedic Surgery: "Biceps tendon problems".

38th Chilean Congress of Orthopedics and Traumatology, La Serena Chile, November 20-23, 2002.

XXVII Congreso Nacional and 49th Reunión Annual Sociedad Mexicana de Ortopedia, May 1-4, 2004, Mexico City, Mexico

Cuban Orthopedics Society and SICOT International Orthopaedics Congress, Cuba, September 23-30, 2005

2nd International Arthroscopic Surgery and Sports Medicine Symposium, Mexico City, Mexico, December 9-10, 2005

Refixation update 2006 Sechster Schulter-Operationskurs, March 16-18, 2006, Munster Germany

IX International Congress of Arthroscopy and Sports Medicine – ARGENTINA 2006, Buenos Aires, Argentina, June 4-7, 2006.

42nd Chilean Congress of Orthopedics and Traumatology, Viña del Mar, Chile, November 15-18, 2006

IV Annual Latin American Forum, Miami, Florida June 22-23, 2007

25th Annual Conference on Innovations in Sports Medicine, Galveston Texas, July 20- 21, 2007

Grand Rounds Yale orthopedic department, "Chondral osseous transfer in the knee", January 16, 2008, New Haven CT

ISAKOS and Chinese Society of Sports Medicine - Advanced Surgical Skills & Hands-on Cadaver Workshop, Shanghai, China, May 15-17, 2008.

Colombian Society for Orthopedic Surgery and Traumatology, Cartagena Columbia, October 16-18 2008

5th International Arthroscopic Surgery and Sports Medicine Symposium, December 10-11, 2008 Mexico City, Mexico

Grand Rounds Orthopedic Department, University of Texas at Houston Medical School, "Partial Thickness Rotator Cuff Tears" and "Suprascapular Nerve Decompression", January 27-28, 2011, Houston TX

Grand Rounds "Practice Management in the Established Practice" Taos Sports Medicine Fellowship Program, Taos New Mexico August 19-20, 2011

"Meniscus repair and healing." Grand Rounds John Peter Smith Orthopaedic Residency, Ft. Worth Texas July 11, 2012

"Meniscal Repair with the Newest Fixators" and "Medical Research In a New Era" Steadman Philippon Sports Medicine Fellowship Program in Vail, Colorado, Monday conference February 3, 2014

"How to conduct clinical research for sports medicine" Boston to Beijing Global Reach 2018, Raynham MA July 16, 2018

INSTRUCTOR:

AANA 12th annual fall course, Knee ligament and Meniscus repair laboratory, Albuquerque, 10/7/93

Arthroscopic Surgery of the Shoulder 11th annual San Diego meeting 6/15-18/94

AANA 13th annual Fall course, Shoulder laboratory instructor and Ankle laboratory instructor, 12/1-4/94, Palm Desert

"The Masters Experience" arthroscopic knee course, June 3-4, 1995 (associate master), Rosemont

Arthroscopic Surgery of the Shoulder 12th annual San Diego meeting 6/14-17/95 (lecturer)

AANA 14th annual Fall course, Shoulder laboratory, Knee laboratory, and Ankle laboratory instructor, 12/95 San Antonio

Arthroscopic Surgery of the Shoulder 13th annual San Diego meeting 6/26-29/96 (lecturer)

Issues and Solutions in Sports Medicine Jan 31- Feb.. 2, 1997 Vail; Bioskills Lab: *ACL Reconstruction*

Arthroscopic Surgery of the Shoulder 14th annual San Diego meeting 6/18-21/97 (lecturer)

"The Masters Experience" Advanced Shoulder Arthroscopy Course (associate master), 8/15-17/97, Rosemont IL

"Chondral osseous transplantation" Puget Sound chapter of Western Orthopedic Association 9/11/97

Arthroscopy Association of North America 16th annual fall course Nov. 6-9, 1997 Nashville "Oratec device for patellar stabilization"

AAOS 65th annual meeting, March 20 1998, New Orleans "Oratec device for patellar stabilization"

Arthroscopy Association of North America 17th annual meeting May 2, 1998 Orlando "Oratec device for patellar stabilization"

Arthroscopy Association of North America 17th annual Fall course, Shoulder laboratory, Knee laboratory instructor, 11/19-22/98 Palm Desert, California

"Technical updates in electrothermal arthroscopy" Marriott Desert Springs Resort, Palm Desert November 20, 1998.

Arthroscopic Surgery of the Shoulder 16th annual San Diego meeting 6/23-26/98 (lecturer)

17th Annual San Diego Shoulder Arthroscopy and Arthroplasty Course, La Jolla CA; 6/14-17/2000.

"The Masters Experience" Advanced Shoulder Arthroscopy Course (Master), 7/14-16/00, Rosemont IL

Arthroscopy Association of North America 19th annual fall course Nov. 16-17, 2000 Palm Desert, California “Knee lab instructor”

Arthroscopy Association of North America 19th annual fall course Nov. 17-18, 2000 Palm Desert, California Courses 104 & 105 Shoulder Arthroscopy (Co-chairman)

Arthroscopy Association of North America 19th annual fall course Nov. 19, 2000 Palm Desert, California “How to make an electronic presentation using Power Point”

“The Masters Experience” Advanced Shoulder Arthroscopy Course (Master), 1/26-28/01, Rosemont IL.

18th annual San Diego Shoulder Arthroscopy and Arthroplasty Course, Shoulder lab and cadaver lab instructor, La Jolla CA 6/22-23/2001

Arthroscopy Association of North America 20th annual fall course Dec. 1-22, 2001 San Antonio, Texas, Chairman: Shoulder laboratory.

“The Masters Experience” General Shoulder Arthroscopy Course (Master), 3/15-17/02, Rosemont IL

19th annual San Diego Shoulder Arthroscopy and Arthroplasty Course, La Jolla CA; Shoulder arthroscopy lab and cadaver lab instructor; 6/19-23/2002

Rotator cuff and Instability repair. 20th Annual San Diego Shoulder Arthroscopy and Arthroplasty meeting, La Jolla, CA, June 25, 2003

Focus Demonstration: “Knee chondral defect resurfacing using osteochondral autografts and novel scaffold techniques. “Arthroscopy Association of North America 22nd annual fall course Nov 15, 2003 New Orleans

Focus Demonstration: “Articular cartilage resurfacing using osteochondral transplantation, harvest site grafting and the use of novel scaffolds” Arthroscopy Association of North America 23rd annual fall course Dec 2, 2004 Palm Desert

21st annual San Diego Shoulder Arthroscopy and Arthroplasty Course, La Jolla CA; Shoulder arthroscopy lab and cadaver lab instructor; 7/7-11/2004

One on One tutorial instructor: Shoulder. Arthroscopy Association of North America 23rd annual fall course Dec 2, 2004 Palm Desert

Arthroscopy Association of North America 1st Winter meeting January 11, 2005 Whistler Canada, “Shoulder surgical demonstration: SLAP repair, capsular plication, interval closure.”

22nd annual San Diego Shoulder Arthroscopy and Arthroplasty Course, La Jolla CA;
Shoulder arthroscopy lab instructor; 6/24/2005

“AANA Masters Experience” Advanced Shoulder Arthroscopy Course (Master), 11/4-6/05, Rosemont IL; ASAD/Mumford: Indications, techniques, and avoiding complications; Postoperative pain control; SLAP tears: Type 2 lesion repair; Instability: Bankart anchor repair; Full thickness cuff repair.

Focus Demonstration: “Articular cartilage resurfacing using osteochondral transplantation, harvest site grafting and the use of novel scaffolds” Arthroscopy Association of North America 24th annual fall course Dec 1, 2005, Phoenix,

Lintratec Symposium: Biologics and Biomaterials: Current State, Arthroscopy Association of North America 24th annual fall course Dec 1, 2005, Phoenix,

Refixation update 2006, “arthroscopic shoulder stabilization,” Instructor anatomy lab, Münster, Germany, March 16, 2006

Refixation update 2006, “Arthroscopic rotator cuff repair,” Instructor anatomy lab, Münster, Germany, March 17, 2006

AAOS 73rd annual meeting, “Osteochondral Autograft techniques: indications, technique, and pearls” Depuy Mitek booth with sawbones workshop, March 23, 2006, Chicago Il

23rd annual San Diego Shoulder Arthroscopy and Arthroplasty Course, La Jolla CA;
Shoulder arthroscopy lab instructor; 6/21/2006

“AANA Masters Experience” Advanced Shoulder Arthroscopy Course (Lead Master Instructor), 10/13-15/06, Rosemont IL: ASAD/Mumford: Indications, techniques, and avoiding complications; SLAP tears: Type 2 lesion repair; Instability: Bankart anchor repair; Snapping shoulder syndrome; Endoscopic release of the suprascapular nerve; Suprascapular nerve block.

One on One tutorial instructor: “Mini Knee Fellowship”: Arthroscopy Association of North America 25th annual fall course November 9, 2006, Palm Desert

Focus Demonstration: “COR and OBI technique”; Arthroscopy Association of North America 25th annual fall course November 9, 2006, Palm Desert

“Donnie Knee Lab,” Arthroscopy Association of North America 25th annual fall course November 11, 2006, Palm Desert

Focus Demonstration: "SLAP repair, Capsular plication, Interval closure." Arthroscopy Association of North America 2nd Winter meeting January 13, 2007, Whistler Canada.

Fellows Advanced Arthroscopy Forum, "Arthroscopic shoulder techniques," Colorado Springs, CO; May 19, 2007.

Video panel discussion: Milagro and Biocomposite absorbable Interference Screws. e-Latin American Forum 2007, Miami June 22, 2007

25th annual Conference on Innovations in Sports Medicine, July 21, 2007, Galveston TX
"Treatment algorithm for rotator cuff injury".

25th annual Conference on Innovations in Sports Medicine, July 21, 2007, Galveston TX
"Treatment algorithm for patellofemoral disorders."

"Focus Demonstration; An arthroscopic technique for repair of osteochondral defects."
AANA 26th Fall course, November 1, 2007, Orlando Florida

Knee lab course: Master instructor featuring transitioning from single to double bundle ACL reconstruction. AANA 26th Fall course, November 3, 2007, Orlando Florida

Arthroscopic shoulder techniques, First ISAKOS-AANA-CMA Congress on Sports Medicine and Arthroscopy, May 17, 2008, Shanghai China

Knee arthroscopy workshop – meniscal repair and ACL reconstruction; First ISAKOS-AANA-CMA Congress on Sports Medicine and Arthroscopy, May 14-17, 2008, Shanghai China

Focus demo: RapidLoc meniscal repair, First ISAKOS-AANA-CMA Congress on Sports Medicine and Arthroscopy, May 14-17, 2008, Shanghai China

Masters Experience in Shoulder Arthroscopy, Rosemont Illinois, August 1-3, 2008.
(Master Instructor) "SLAP lesions: when/how to repair; Arthroscopic management of partial rotator cuff tears; Steps for an arthroscopic subscapularis repair; Suprascapular nerve release- indications and techniques."

Arthroscopy Shoulder cadaver lab POD leader, Arthroscopy Association of North America 27th Fall course, November 21, 2008, Phoenix Arizona

Shoulder lab: Master instructor, POD 1. Arthroscopy Association of North America 28th Fall course, November 19, 2009, Palm Desert CA

Knee lab: associate instructor, POD 1. Arthroscopy Association of North America 28th Fall course, November 21, 2009, Palm Desert CA

AOSSM & ISAKOS Current Concepts in Sports Medicine, Knee workshop, July 14, 2010

Masters Experience in Shoulder Arthroscopy, Rosemont Illinois, September 10-12, 2010
“Arthroscopic SLAP Repair”, “Arthroscopic PASTA Repair”, “Suprascapular Nerve Release”, “PRP and Patches”, “Arthritis Options in Young Patients”.

AANA- SOMOS Combined Advanced Shoulder Arthroscopy Course, Rosemont Illinois, October 16-18, 2010

Shoulder lab: Master instructor, POD 9; Arthroscopy Association of North America 29th Fall course, November 18, 2009, Phoenix AZ

Knee lab: Master instructor, POD 9; Arthroscopy Association of North America 29th Fall course, November 20, 2009, Phoenix AZ

“Meniscal repair with the Fast-Fix 360”, Sports Medicine Update 2011, July 26, 2011, Martha’s Vineyard

“Advances in Meniscal Repair: Sequent meniscal repair”, Sports Medicine Update 2011, July 26, 2011, Martha’s Vineyard

“DePuy-Mitek Demonstration”, Sports Medicine Update 2011, July 27, 2011, Martha’s Vineyard

Master Instructor; 2011 AANA SOMOS Knee Course, August 26-28, 2011, Rosemont IL

Focus Demonstration: “Biologics in rotator cuff repair”, Arthroscopy Association of North America 30th Fall course, November 17-19, 2011, Palm Desert CA

“Shoulder arthroscopy techniques”, Mitek Masters Shoulder Course, MERIN, Henderson NV March 31, 2012

“Shoulder and knee arthroscopy techniques”, Fellows Advanced Arthroscopy Forum, Miami FL, May 5, 2012

“Arthroscopic SLAP repair”, AANA Masters Experience Shoulder Arthroscopy Course, Rosemont Illinois, October 19, 2012

“Suprascapular Nerve Release”, AANA Masters Experience Shoulder Arthroscopy Course, Rosemont Illinois, October 20, 2012

“PRP and Patches”, AANA Masters Experience Shoulder Arthroscopy Course, Rosemont Illinois, October 20, 2012

“Arthritis options in young patients”, AANA Masters Experience Shoulder Arthroscopy Course, Rosemont Illinois, October 21, 2012

Focus Demonstration: “Biologics in rotator cuff repair”, Arthroscopy Association of North America 31st Fall course, November 10, 2012, Phoenix AZ

“Single Row vs. Double Row: Options to consider for Rotator Cuff Repair”
MidSouth Regional Fellows Shoulder & Hip Course, UT Health Science Center San Antonio, TX April 5, 2013

“PASTA repair options” MidSouth Regional Fellows Shoulder & Hip Course, UT Health Science Center San Antonio, TX April 5, 2013

Shoulder cadaver instructor. MidSouth Regional Fellows Shoulder & Hip Course, UT Health Science Center San Antonio, TX April 6, 2013

Shoulder cadaver instructor, Biologic and Biomechanical Solutions for Shoulder Restoration, April 13, 2013, Largo Florida

Knee and Shoulder cadaver instructor, China/US Symposium, Mitek Sports Medicine, Raynham MA, May 17-18, 2013

Shoulder cadaver instructor, Latin American Shoulder Forum. Largo Florida, July 25-26, 2013

Shoulder cadaver instructor, Current Advances in Shoulder Arthroscopy, Smith and Nephew Master Shoulder Course, St. Louis MO September 13-14, 2013.

Shoulder cadaver instructor, 2013 European Workshop, Largo FL, September 26-27, 2013

Master Instructor (Shoulder): AANA Masters Experience Shoulder Arthroscopy Course, Rosemont Illinois, October 17-19, 2014

Focus demo: “Massive rotator cuff repairs featuring cuff augmentation”, Arthroscopy Association of North America 33rd Fall Course, Palm Springs, November 6, 2014

Cadaver lab instructor, Shoulder Arthroscopy Course, October 24, 2015 Denver Colorado

Course Director: Arthroscopy Association of North America APEx shoulder course: Shoulder Tips Tricks: Arthroscopy to Rehabilitation October 6-7, 2017 Rosemont IL

Current Concepts in Knee & Shoulder Arthroscopy course, Nov. 18, 2017, Chicago IL

"Silicone and carbon particle migration behavior in a porcine knee model" Spenciner DB, Barber FA, Zani BG, Mellidone R, Muench TR. American Association for Laboratory Animal Science annual meeting Oct 28-Nov 1, 2018 Baltimore, MD.

ACADEMIC APPOINTMENTS:

Clinical Instructor, Department of Surgery, USUHS School of Medicine, Sept. 1981 - Jan. 1984

Orthopedic Surgery Residency Training Program, William Beaumont Army Medical Center 1981-1982

Adjunct Clinical Assistant Professor, Ohio College of Podiatric Medicine, Cleveland Ohio, 1982

Clinical Assistant Professor of Orthopedic Surgery, University of Texas Southwestern Medical Center, Dallas, School of Medicine Feb. 1983 - Present

Adjunct Clinical Instructor in Physician Assistant Program, Midwestern University, Downers Grove, Illinois, 2002- 2004

Arthroscopy and Sports Medicine Fellowship: (ACGME approved) Fellowship Director starting 2000 to present

SPORTS MEDICINE EXPERIENCE

Director: Plano Orthopedic Sports Medicine Fellowship Program

Chief Orthopedic Surgery and Sports Medicine Clinic - 130th Station Hospital, Heidelberg, Germany

Director Sports Medicine Clinic - DeWitt Army Hospital; Ft. Belvoir, Virginia

Team Physician: Duncanville High School

Team Physician: Richardson High School

Team Physician: Berkner High School

Team Physician: Dallas American (Professional Soccer)

Medical Advisor: Dallas White Rock Marathon

Medical Advisor: Dallas Triathlon
