## Step 4: Arrive at the Patient Portal Home Page!

The screenshot shows the patient portal interface for Plano Orthopedic. At the top, there is a dark blue header with the logo on the left and user account information on the right. Below the header is a navigation bar with icons for Home, Appointments, and Message Center. The main content area is divided into several sections: a welcome message for 'TEST TRIAL', an emergency notice, a patient dashboard with two status cards (no upcoming appointments and no unread messages), and a blue callout box with instructions. The Exscribe logo and version information are at the bottom.
